

Organic Chicken Bone Broth Powder

Bone broths have been lovingly made and enjoyed by generations of people all over the world. Nourishing broths are a traditional comfort food that have deservedly enjoyed a revival as a new generation celebrate whole food and slow cooking. This Chicken broth powder contains 88% certified organic ingredients and is a wonderful, convenient way to enjoy delicious natural broths without the hours of preparation. Made from organic chicken bones that are slowly cooked down in filtered water and apple cider vinegar for more than 6 hours. After it is strained and the fat skimmed, the broth is gently dried at a low temperature. It's then blended with black pepper and savoury yeast for extra flavour and goodness. This Chicken Bone Broth powder is a delicious, easy way to make quick, healthy broth bowls. It is GMO free and contains no fillers or artificial flavours. Great as a full-flavoured base for hearty soups, hotpots and savoury recipes.

How to Use:

Due to moisture sensitivity of this powder always use a dry spoon when removing from air tight container. For a quick cup of natural broth stir 1 teaspoon of Chicken broth powder into 1 cup of boiling water, adding a few chopped herbs or grated ginger if desired.

To make a bowl of soup allow 3 tsps. of powder to 300ml of water per person. Create nourishing broth bowls by adding your choice of chopped vegetables, fresh herbs and noodles. A great way to use left-over roasts. Simply shred meat into the broth and serve with crusty bread, or poured over mashed spuds, sweet potato and parsnip for a hearty meal.

Dumplings are delectable served in chicken broth. This broth powder makes a wonderful base for warming soups, casseroles, hotpots and sauces.
